

## PRIVACY POLICY

---

This page describes how the site is managed with regard to the processing of personal data of users who consult it. This is the information provided pursuant to Article 13 of European Regulation 2016/679 to those who interact with the company's web services. The information is provided only for this website and not also for other websites that may be consulted by the user through links. The statement identifies some minimum requirements for the collection of personal data online, and, in particular, the manner, timing and nature of the information that data controllers must provide to users when they connect to web pages, regardless of the purposes of the connection.

### DATA CONTROLLER

Following consultation of this site, data relating to identified or identifiable persons may be processed. The "owner" of their treatment is **ING. GALLONI MICHELE** - VIALE RUSTICI, 10 - 43123 - PARMA, P.IVA: 02055060343

### PLACE OF DATA PROCESSING

The processing operations related to the web services of this site take place at the registered office and are only handled by technical personnel of the Office in charge of processing, or by any persons in charge of occasional maintenance operations. No data from the web service is communicated or disseminated. The personal data provided by users who forward requests for information material (bulletins, Cd roms, answers to questions, various acts, etc.) are used for the sole purpose of performing the service or provision requested.

### TIPI DI DATI TRATTATI

#### TYPES OF DATA PROCESSED

Navigation data The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This information is not collected to be associated with identified interested parties, but by its very nature could, through processing and association with data held by third parties, allow users to be identified. This category of data includes the IP addresses or domain names of the computers used by users connecting to the site, the URI (Uniform Resource Identifier) notation addresses of the requested resources, the time of the request, the method used in submitting the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.), the number of visits, the pages visited and other parameters relating to the user's operating system and computer environment.

These data are used for the sole purpose of obtaining anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in case of hypothetical computer crimes against the site: except for this eventuality, at present the data on web contacts do not persist for more than seven days.

Data provided voluntarily by the user The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site entails the subsequent acquisition of the sender's address, necessary to

respond to requests, as well as any other personal data included in the message. Specific summary information will be progressively reported or displayed on the pages of the site prepared for particular services on request.

For the purposes related to requests for information, the processing of personal data is based on Article 6.1.b) of Regulation 2016/679 as the processing is necessary for the provision of services or to respond to requests from the data subject. You can view the [specific information notice](#) by clicking on the links provided on the website.

## **USE OF COOKIES**

Regarding the methods of use of cookies, please refer to the additional and specific "extended information" published on this site and elaborated according to the provisions of the Provision of 8 May 2014 issued by the Italian Guarantor for the protection of personal data, which supplements and completes this document.

## **OPTIONAL NATURE OF PROVIDING DATA**

Apart from what is specified for navigation data, the user is free or not to provide personal data. Failure to provide them may result in the impossibility of obtaining what has been requested.

## **METHODS OF PROCESSING**

Personal data are processed by automated tools for the time strictly necessary to achieve the purposes for which they were collected. Specific security measures are observed to prevent data loss, illicit or incorrect use and unauthorized access.

## **TRANSFERS TO THIRD COUNTRIES**

Any transfers of personal data to a third country outside the European Union or to an international organization will take place on the basis of an adequacy decision by the Commission or, in the case of transfers under Articles 46, 47 or 49, second paragraph, of the European Regulation, on the basis of appropriate and adequate safeguards.

## **RIGHTS OF DATA SUBJECTS**

The subjects to whom the personal data refer have at any time the right to request access to and rectification of the data, deletion of the data, restriction of processing, the right to object to their processing, as well as the right to data portability; they also have the right to lodge a complaint with the Control Authority. Requests should be addressed to the Data Controller by writing to: [info@galloningegneria.com](mailto:info@galloningegneria.com)

The Controller reserves the right to change, update, add or remove parts of this privacy policy at its own discretion and at any time. In order to facilitate such review, the policy will contain the date of update.
